Forward Looking and Cautionary Statement

Certain statements in this release concerning our future prospects may be forward-looking statements, within the meaning of applicable securities laws and regulations. These statements by their nature involve a number of risks, assumptions and uncertainties that could cause actual results to differ materially from expectations. These risks and uncertainties include, but are not limited to our ability to manage growth, intense competition among packaging companies, various factors which may affect our profitability such as commodity prices, wage increases, currency devaluations, our ability to attract and retain highly skilled professionals, manage our international operations, reduced consumer demand for underlying categories, liability for damages on our contracts, changes in the government regulations, laws, statutes, judicial pronouncements and/or other incidental factors in the domestic and overseas markets in which the company represents, political instability, unauthorized use of our intellectual property, pandemics, natural disasters and general economic factors affecting our industry. These forward-looking statements represent only the Company's current intentions, beliefs or expectations, and speak only as of the date on which it was made. The Company assumes no obligation to revise or update any forward-looking statements, on the basis of any subsequent developments, events, information or otherwise.

Investors Day 2023

Agenda

01

Company Overview

02

Financial Performance

03

Strategy into Action

04

Going Ahead

Our Focus Remains on 3 Key Outcomes

Sustained Double Digit Revenue Growth

- Aggressive 'Personal Care & Beyond' Play
 - Brazil scale up; Exports
- 

Though, there would be RM prices softening impact in the short term

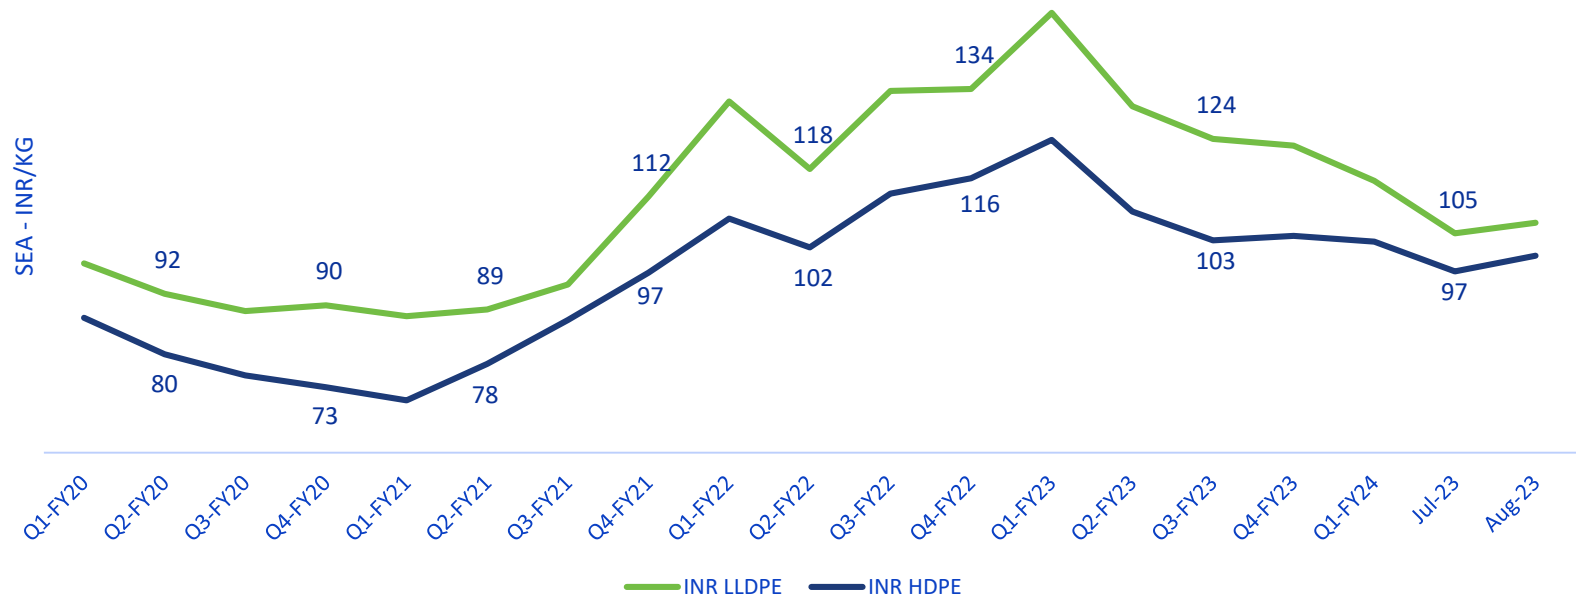

Sustainability Led Competitive Advantage

- Sustainable Portfolio
 - Backend Capability
 - EcoVadis Platinum
- 

Continued Margin Expansion

- Strategic Price Management
 - War On Waste
 - Continued Insourcing
 - Manufacturing Realignment
 - Automation Investments
- 

Near Team Revenue Growth Impacted by Commodity Price Softening

Double Digit Revenue Growth: Personal Care & Beyond

Personal Care & Beyond is a Large Opportunity

Personal Care & Beyond: 25Bn Tubes Category

Opportunity Across Markets

Region	Total B&C* Market (mn tubes)	EPL Wallet %	Total Opportunity (mn tubes)
AMESA	2170	35%	1411
China	1993	12%	1754
Europe	6712	4%	6444
US,Mex,Col	2941	7%	2735
Total	13816	11%	12343

*Beauty & Cosmetics

Double Digit Revenue Growth: Personal Care & Beyond Enhanced 'Right To Win' Through Innovations

Neo Seam: Zero Side Seam

High Quality Printing Solutions

Applicator Innovations – a solution for all categories

Double Digit Revenue Growth: Personal Care & Beyond

Focused Capability Building to Capture the Opportunity

Operational Capability

- Smaller MOQs, Shorter leadtime
- Backend readiness across plants for increased demand

Enhanced Hunting Organization

- Increase hunting organization by 20%
- Skilling upgrade through focused trainings

Double Digit Revenue Growth

We feel excited about Brazil opportunity

Volumes building fast

Volume as % of long term commitment to anchor customer

Bright prospects beyond anchor customer

- EPL only strategic global tube supplier in Brazil
- Large consumer market with presence of global customers
- Advantageous manufacturing location close to demand source
- Strong interest from various customers
- Trial runs initiated; conversion by Q4FY24

Sustainability Led Competitive Advantage

Solid Portfolio of Sustainable Solutions

Platina

Barrier webs recyclable in Code 2 HDPE bottle stream.

Platina Pro Vision

High Barrier transparent webs for better aesthetics; recyclable in HDPE Stream

Platina Pro ME

High BARRIER metallic webs for foil look / better aesthetics; recyclable in HDPE stream

ETAIn / Platina PCR

HDPE tubes with mechanically recycled PE content

Advantaged solutions without compromising on cost and aesthetics

Sustainability Led Competitive Advantage

Our Customers have made Global Commitments to Sustainability

100% of plastic packaging
to become **recyclable** by
2025¹

Make **100%** of plastic packaging
reusable, **recyclable** or
compostable by **2025**²

100% recyclable or
reusable packaging by
2030³

Sustainability Led Competitive Advantage

We are fully Prepared to Partner with our Customers on this Journey

Capability Building

- Majority of all capacity capexes in last 3 years recyclable packaging compliant
- \$20Mn investments in last 3 years in making ABL* lines PBL# ready

EPL's 85% capacity is recyclable tube ready

Recyclable volumes scaling up fast

2022 EcoVadis Silver

2023 EcoVadis Gold
(Top 3%**)

Target EcoVadis Platinum

*Aluminium Barrier Laminate #Plastic Barrier Laminates ** Amongst plastic manufacturing companies

Continued Margin Expansion

Strong P&L Productivity Initiatives in Place

Strategic Price Management

War On Waste

Continued Insourcing

Manufacturing Realignment

Maximize 'One EPL' Benefit

Automation Investments

In Summary

We Feel Very Excited About What Lies Ahead...

Sustained Double Digit Revenue Growth

In Short term

- Revenue Growth to be impacted by RM prices softening

Exciting Opportunity Going Ahead

- Aggressive 'Personal Care & Beyond' Play
 - Large Category Opportunity
 - Our 'Right To Win' has improved significantly through innovations
 - We are investing in Org and Backend capabilities
- Brazil Scale up

Sustainability led Competitive Advantage

- Strong Product portfolio with backend capability
- Customers have committed to ambitious sustainability targets
- We are prepared to partner them in the journey
- We are pitching for EcoVadis Platinum which will further establish us as leading sustainable packaging company

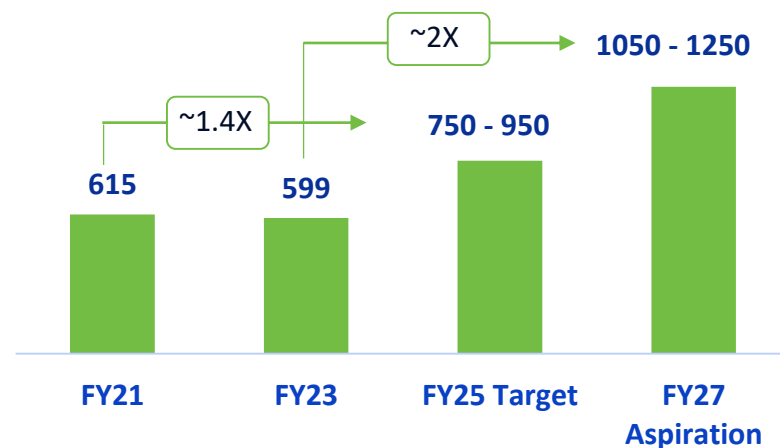

Continued Margin Expansion to deliver 20%+ EBITDA

- Strategic Price Management
- War On Waste
- Continued Insourcing
- Manufacturing Realignment
- Automation Investments
